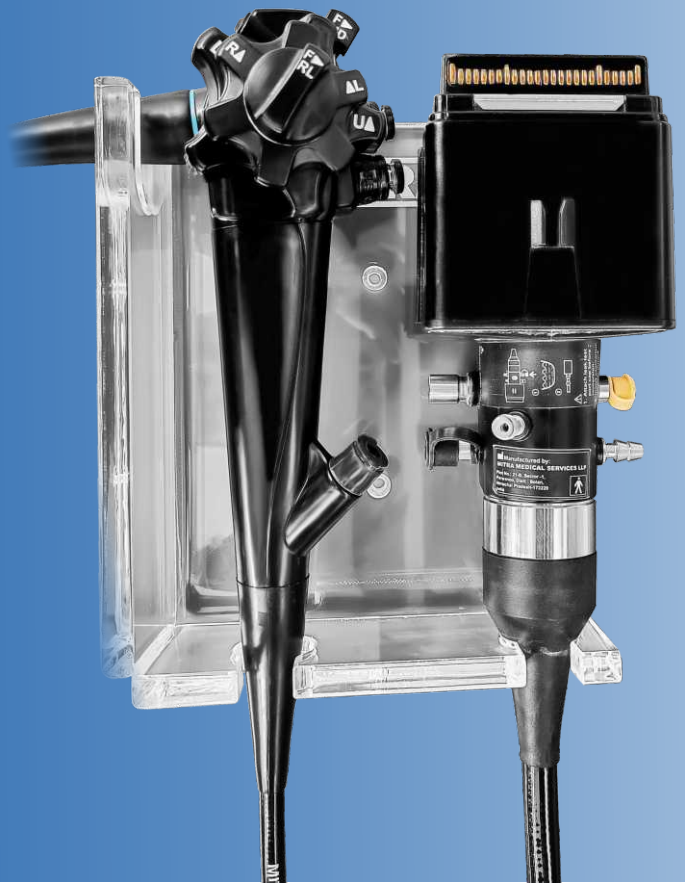
ENDOSCOPY

EndoHanger 2

Improper storage is the most common reason for endoscope damage. EndoHanger 2 is a safe & secure endoscope storage tool to safely and securely store your endoscopes. Proper storage of endoscopes also plays an important part in endoscope reprocessing to ensure Patient and Technician safety.



Features:

- **Wall mounted Endoscope Hanger:** Endohanger 2 is designed to be easily mounted on the wall or in the endoscope cabinet.
- **Safer & Secure storage:** Endohanger 2 helps save on costly repair costs and downtime by allowing proper storage of your expensive endoscopes.
- **Material:** Made from long-lasting durable single piece Acrylic which is easy to clean and wipe.
- Universal Compatibility.
- Can be customed designed for EUS Endoscopes.
